25X1	Travel Controls					
4 . 25X1	In the first ten days of March 1950, exit and entry controls on the Canton-Kowloon railway were relaxed. Merchants with goods to be sold in Hong Kong were permitted to enter the colony before their exit permits were amended.					
25X1 25X1	Intensified Purge in Canton					
5.	On 7 April the South China Sub-Bureau established a Reform Committee on Basic Organization Activities (基層組織工作改革委員會) with YEH Chien-ying as chairman, FANG Fang as vice-chairman, and TSENG Sheng, HUNG Hsueh-chih (美智), and KU Ta-ts'un (古大存) as committee members. Soon after its formation, the committee ordered all Chinese Communist military and political organizations in the Canton area to form sub-committees, with their organization heads as chairmen. The mission of all committees was to intensify activities for the elimination of pro-Nationalist and anti-Communist elements within these organizations.					
25X1 6.	In early April the authorities of the Canton Public Security Bureau started assigning so-called census police to each Public Security branch office to supervise the taking of a census. There are approximately 100 census police for Canton.					
25X1	New Ammunition Factory, Canton Area.					
7 _°	The Canton Supply Section of the Chinese Communist Army Supply Depot for the South and Central District Command established an ammunition factory in Wufengts'un (在意识), on the south bank of the Pearl River in the Canton area. WU Feng-wei is the head of the factory, and a Soviet named Lo-lieh-k'o-chi (是列克基) is technical adviser.					
25X1	Miscellaneous					
8.	The Communists are organizing fishermen between 18 and 30 years of age to serve as militia in case a general war should break out.					

- Most of the troops in Kwangtung are from North China, and are discontent and unhappy with the war.
